

On Monday, July 19, we will be voting on members of our new Executive Board. We voted for one of the Co-President positions as well as Treasurer at the June meeting. Below you will find a list of CVQ members who have expressed an interest in various positions for the 2021-2022 CVQ Executive Board and Auxiliary Committees. We need to vote for every position/person in **red**. As you can see there are many positions that are totally open, and most can certainly be held by more than one person. Auxiliary Committee positions are also very important. Please contact Julie Snow at 805-857-0670, jul_snow@hotmail.com to let her know what position you are interested in so that your guild can continue and become even more wonderful!
